PLEASE RSVP BY THURSDAY 13TH APRIL

Join us at the AYAH

Northern Sydney
Local Health District

We are pleased to welcome you to the AYAH, the first facility in Australia offering respite, symptom management and end of life care to individuals aged 16-24 with life limiting illness.

It is our priority to keep the environment safe for our patients, their families and carers. For the purpose of this open day, we will not have patients present.

If you are interested in viewing the AYAH, please take advantage of this opportunity to view the entire space.
