

Expression of Interest

Palliative Care CNC 2 Leave Relief

We are seeking expressions of interest for a skilled and experienced Palliative Care Registered Nurse (internal or external to FWLHD) to provide leave relief for the District Specialist Palliative Care Clinical Nurse Consultant Grade 2. The position is based in Broken Hill.

The role provides high level Specialist Palliative Care to palliative care patients in outreach communities within FWLHD in collaboration with specialist and generalist services across a range of settings; supports primary health care staff in their provision of palliative care; staff mentorship and education as required.

TIME FRAME

12 August 2024 to 05 January 2025 inclusive (includes a one-week handover period at commencement). Public holidays off. Leave options negotiable over Christmas / New Year period.

POSITION CRITERIA

- Registered Nurse with current nursing registration with AHPRA.
- Clinical expertise and clinical leadership in the provision of specialist palliative care and end of life care using an evidence based approach
- Ability to work independently but also within a multidisciplinary team identifying opportunities to enhance continuity of care between specialist palliative care, primary care providers and community-based services.
- High level clinical, problem solving, and organisational skills.
- Advanced communication skills.
- Driver's license and willingness to travel throughout the FWLHD with possibilities of overnight stays.
- Occasional on-call duties when supporting the team in Broken Hill

To express your interest please address the position criteria in a letter with a recent CV to Melissa Cumming Director Cancer and Palliative Care Services, Far West LHD via email melissa.cumming@health.nsw.gov.au by 5pm Sunday 14 July 2024.

For more information about the relief position please contact Melissa on 08 80801452.
