Let's talk about end-of-life planning, with the support of community services that assist with aging, loss, dying, and grief.

Join a **FREE** Community Conversation led by Palliative Care NSW in partnership with Healthy North Coast PHN and Northern NSW Local Health District. **Free afternoon tea** and resource kits for all participants!

Topics covered include:

- Navigate end-of-life matters
- Understand what palliative care is and how to access
- Explore the local support services available to you and your loved ones
- Learn how to start your advance care plan
